Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. 3DEEP is a setting neutral roleplaying game built to allow you to game in any genre from Fantasy to SciFi. You will find rules for magic sitting alongside those for car chases. You can overcome aliens, dragons or the undead. Where ever your imagination takes you. About 3Deep 2nd Edition This is the new 2nd Edition. What you get is everything that was in the original core rules plus everything that was in the GM's Resource but now integrated seamlessly and more monsters, more magic and a bigger and better advanced Solo Engine! Fast 3Deep is very fast to play. There should be virtually no stopping for rules look ups. We try to keep everything you need on the character sheet. Simple We have used the same mechanic for almost everything, roll your 2d6, add any stat bonus, add any skill and take away any difficulty factors. If the result is 8+ then you succeed. We try and keep as much information on the character sheet as possible so you don't have to constantly refer to the rule book. All of Time and Space All weapons and armour are described in terms of their relative weights, materials and design. Where and when they are made doesn't really matter. A rapier is a light weapon so it is going to do 1d6 of damage, a blaster rifle is a bigger beast and does 2d6. A tripod mounted machine gun deals out 3d6. The same principles apply to armours, the idea of light through to heavy. The best high tech armour of course performs a lot better than medieval platemail even if they are both heavy . With 3Deep you...
