

Biopsy Interpretation: The Frozen Section (2nd Revised edition)

Filesize: 3.9 MB

Reviews

Complete guide! Its this kind of very good read through. This is certainly for all who statte there was not a worthy of looking at. I am just quickly will get a delight of looking at a composed publication.
(Kacie Carroll)

BIOPSY INTERPRETATION: THE FROZEN SECTION (2ND REVISED EDITION)

Lippincott Williams and Wilkins. Hardback. Book Condition: new. BRAND NEW, Biopsy Interpretation: The Frozen Section (2nd Revised edition), Jerome B. Taxy, The Second Edition of Biopsy Interpretation: The Frozen Section, a volume in the Biopsy Interpretation Series, addresses the frozen section, which is one of several intraoperative consultative options. It illustrates the practical use of the frozen section in the management of clinical problems, especially tumors. The demands of patient care require knowledge of the assets and limitations of the frozen section, including the practical techniques of its execution, interpretation, and the communication of its results. Although the frozen section is the focus, the central idea behind this book is intraoperative consultation and patient management. This edition features updates to the organ system based chapters as well as a revised chapter on pediatric pathology. Two new chapters on hematopathology and a review of published literature have also been added. The goal of this book is to not only provide updated information on the practice of frozen section, but also to help explain the role the general surgical pathologist can play in the treatment of patients. Features: histologic illustrations are actual frozen sections, with artifacts; updated and expanded text; emphasis is placed on the morphologic expertise of the surgical pathologist in standard hematoxylin and eosin sections and imprints; and over 400 4-color images in the book and an additional 150 e-figures included on the accompanying online site (with over 50 quiz questions). Also included with the Online Companion site: fully searchable text; over 150 images; and test bank that is idea for board exam preparation.
