30 DAYS STREAMS OF CONSCIOUSNESS: ABDUCTION (PAPERBACK)

Lucinda Moebius, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Stream of consciousness refers to the practice of writing down ideas as they come into your head. The conventions of grammar and appropriateness of language is usually ignored when using this literary technique. For those of you who cringe at the misplaced metaphor, or the comma splice, or the occasionally correctly spelled wrong word so frequently seen in this day of spell-check reliability, don t worry there are a lot more things in here to worry about. Concern yourself with where you are and who might be watching you as you go about your life. Wonder if reality is everything it seems to be.
