TO GENTLE DOWN THIS WORLD (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sonorous. Portentous. Reverberating. (illustrated adult version of the author s science fiction saga) -What do the angels do with all the souls that have just been released from an entirely obliterated planet?- I ask Her. -What happens.- I start to ask again (by this time we d picked up another baby and two stray twins) -to the souls that have left the planet?- -They will begin again, - She finally answers. -Most souls have the ability to remember their past if they choose.- As She says this, She starts to glow. She said the twins are the souls of the children I would have had if I had stayed on Earth. She said the two littlest babies were the souls of the brother and sister I had had on Earth. She said these four souls were babies because they were more afraid than I was. Her final words to me were, -Face your fears. Love them until they leave, then send them to the Light.- And then I am sitting on the warmed surface of another planet with four babies in my lap. I see trees with yellow leaves and two orbs in the sky. There is no one around except maybe a cat because I can see its tail, a big bushy fluffy tail, under a bush with purple flowers. I see a galaxy in the sky with spirals that look familiar, but it is much further away. I sense the tiny, blue planet in all its glory that used to reside there but there is a sadness about it that I am trying to remember but can t quite.
