HOW TO BUY A LOVE OF READING

Tantor Media, Inc, United States, 2009. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. To Carley Wells, words are the enemy-her tutor s innumerable SAT flashcards; her personal trainer s fifty-seven pounds overweight assessment; and the endless reading assignments from her English teacher, Mr. Nagel. When Nagel reports to her parents that she has answered What is your favorite book? with Never met one I liked, they decide to fix what he calls her intellectual impoverishment. They will commission a book to be written just for her-one she ll have to love-that will impress her teacher and the whole town of Fox Glen with their family s devotion to the arts. They will be patrons-the Medicis of Long Island. They will buy their daughter The Love of Reading. Impossible though it is for Carley to imagine loving books, she is in love with a young bibliophile who cares about them more than anything. Anything, that is, but a good bottle of scotch. Hunter Cay, Carley s best friend and Fox Glen s resident golden boy, is becoming a stranger to her lately as he drowns himself in F. Scott Fitzgerald, booze, and Vicodin. When the Wellses move struggling writer Bree McEnroy into their mansion to write Carley s book, Carley s sole interest in the project is to distract Hunter from drinking and give them something to share. But as Hunter s behavior becomes erratic and dangerous, she finds herself increasingly drawn into the fictional world Bree has created and begins to understand for the first time the power of stories-those we read, those we want to believe in, and most of all, those we tell ourselves about ourselves. Stories powerful enough to destroy a person. Or save her.
