By Michael David

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. With justice at stake, when does the need to lie outweigh the demands of truth? For Brent (an aviation mechanic and regular guy), rescuing Conrad - the longtime friend of live-in girlfriend Alex - from a vicious gay bashing is instinctive heroism. But Conrad s determined pursuit of justice at all costs, Alex s troubled past and Brent s impulsive physicality puts all three on a path where scruples surrender to misrepresentation and mistakes. DEGREES is a play that explores these questions and more as three people with conflicting agendas try to do what is right, but in the process lose themselves . degree by bitter degree.
