Think Inside the Box maps a regimen to discover and revitalize the exceptional business that exists inside your current organization. Businesses add complication and complexity as they grow. Winners and losers exist side by side in product catalogs and among customers. Sorting through the noise to focus on the core and eliminate the wasteful is a constant management challenge. The methods and tools in this book are the same ones used by consultants and private equity investors. Think Inside the Box walks you through the process step-by-step. You have the data and you have the tools; we provide the map and the directions. The regimen detailed in Think Inside the Box: Is data driven, using data readily available in the organization. Relies on the well-established 80/20 rule to direct focus and attention. Anchors analysis in the fundamental elements of any organization; products and services and the customers who use them. Demands no rare or unusual skills, techniques, or technology. Adapts simply to new data as it becomes available. Has a proven track record; applied to over...
