Ember, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. For readers of Sarah Maas and Marie Lu s Legend trilogy comes Traveler, the sequel to Seeker, about teens caught in the crosshairs of tainted family legacies and the secrets they must unravel in order to survive. Quin Kincaid is a Seeker. She thought her legacy was an honor, but what she learned on her oath night changed her world forever. Quin pledged her life to deception. Her legacy as a Seeker is not noble but savage. And the boy she once loved is out for vengeance, with her family in his sights. Yet Quin is not alone. Shinobu, her oldest companion, might now be the only person she can trust. The only one who wants answers as desperately as she does. But the deeper they dig into the past, the darker things become. There are long-vanished Seeker families, shadowy alliances, and something else: a sinister plan begun generations ago, with the power to end the legacy forever. The past is close. And it will destroy them all. Praise for the Seeker series: Katniss and Tris would approve. This book will not disappoint. An action-packed read with plenty of surprising turns.
