Kensington Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. One San Francisco librarian would rather check out a good romance than dare to experience it herself. Luckily, her own next chapter is full of surprises. Melissa Bernie Bernard isn't familiar with fame. After all, she works at a college library with hardly any visitors. But when a video of a marriage proposal in her stacks goes viral, it's not the bride and groom who capture the Internet's attention. It's Bernie--caught rolling her eyes. Now, just as she's ready to go into hiding and permanently bury her nose in a book, a handsome reporter appears with a proposal of his own. If Colin Rodriguez doesn't do something big to attract new readers, his boss will hire someone else to dole out dating advice. Determined to prove he's an expert at romance--despite his own pitiful track record--he pitches a story: He will find dates for the undateable. Specifically, for the now-infamous, love-hating librarian at Richmond College. Even though Bernie doesn't believe in happily-ever-afters, she's not one to resist a good challenge. Yet with one disastrous date after another, she's ready to give up. Until Colin proves he'll do anything to find her the perfect match--even if it means putting himself up for the role. Praise for Sarah Title's Southern Comfort Romance series *Sexy* and *made me laugh!* --Smexy Books A fast-paced read that provided just as many smiles from the humor as it did sizzles from the romance. --The Book Divas Reads Wild, witty, and wonderful. --New York Times bestselling author Jo Goodman Quite a sexy book.
