Brand New Book ***** Print on Demand *****.Excerpt from The University of North Carolina Record, 1934: Report of the President We shall presently ask the three deans of administration to summarize their able reports. The controller will then make a summary analysis of the present and requested budgets. To the new deans of administration, Dr. W. C. Jackson, Mr. R. B. House, and Colonel J. W. Harrelson, I wish to express our deep appreciation of their cooperation and leadership, ability and understanding, alertness and wisdom in the complex responsibilities of institutional administration, and their fairness and patience in the difficult but sure processes of consolidation; and to the controller for his wide knowledge, manifold ability, and his unceasing work in behalf of a balanced budget which takes of his devoted life ever resilient with youthful spirit and completely given to his university and his state. I am glad to report that Dr. Julius I. Foust, President Emeritus of the Woman's College, and President Eugene C. Brooks, President Emeritus of the North Carolina State College, are gathering material for the writing of the history of their respective colleges in their work as university research professors of education, in addition to their work as educational advisers based on their long and distinguished service to public education and the State. We would not now anticipate with eulogy this deeply needed and highly valuable fulfillment of their manifold public services and this ripening of their historic values to our generation and the generations to come. They are still building the monuments which will ever be the witnesses of their immortality. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
