THE GENERAL SURGERY RECERTIFICATION EXAM REVIEW

Hancock Surgical Consultants LLC. Paperback. Condition: New. 232 pages. Dimensions: 7.9in. x 5.0in. x 0.6in. The general surgery re-certification exam is not like the ABSITE or the first certification exam. Transplantation, physiology, immunology, cellular and molecular biology, pharmacology, and other basic science material are not tested. The re-certification exam tests clinical knowledge. This book focuses on the clinical aspects of general surgery and current standard of care recommendations. All aspects of surgery are covered including new recommendations for morbid obesity surgery, breast cancer management, hemostatic resuscitation, management of anti-platelet and anticoagulation agents, damage control surgery, surgery in pregnancy, angiography in trauma, and other pertinent issues. As the only dedicated book for the re-certification exam, the reader will avoid having to wade through the extraneous material found in other study guides. All aspects of general surgery are covered and this book can be used as a sole resource for the exam. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
