When conscious rap group, The Life Supporters, embark upon a mission to save unborn babies, educate people about the value of human life and speak out against abortion through their music and spoken-word lyrics, they are met with expected pro-choice opposition. The Life Supporters perform at local pro-life rallies to be a voice for the unborn and spread their message that unborn life should be given an opportunity to be born and never take life for granted. High School sweethearts, Mary Anne Parks and James Jackson engage in unprotected sex, come up pregnant and deeply regret their unplanned mistake. Mary Anne has high hopes of becoming a doctor and James has big dreams of becoming a pro football star. After giving their situation serious thought they conclude that the baby will be in their way and kill their hopes and dreams. Abortion seems to be only solution to removing the embryonic roadblock that threatens their hopes, dreams, ambitions and a bright future. However, their poetically gifted fetus appears in Mary Anne s dreams and has something...
