Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

BRILLIANCE AUDIO, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Dear Listener: Season of the Sun first appeared in 1991. Zarabeth, with hair as red as an Irish sunset, is chosen by Magnus Haraldsson, a Viking on a trading visit to York, to be his wife. She is both stunned and fascinated by this man's bluntness, his arrogance, his absolute belief that she is meant to belong to him. He also makes her laugh and ultimately she gives him her trust, not only with her future but with that of her little sister, Lotti. But Zarabeth's stepfather, Olav the Vain, has no intention of setting a bride price on Zarabeth. Zarabeth does eventually return with Magnus to his farmstead in Norway, but as his slave, not as his wife. She wears the slave collar around her neck for all to see, but hides her own pain deep within her. It is the season of the sun in Norway, the clear midnight life of summer, the season of growth and flowering, of treachery and malice. It was the season of growth for a man and a woman to learn of each other and themselves. I hope you enjoy Zarabeth and Magnus. Write me at P.O.
