

I am HIV Positive (Paperback)

By Wendy Flanagan

Pearson Education Limited, United Kingdom, 2003. Paperback. Condition: New. Language: N/A. Brand New Book. To the Teacher Use this story for life orientation, health, citizenship or cultural studies lessons, or as reader in English class. The story looks at the basic facts of HIV/AIDS through the eyes of a child. It explains in the simplest terms transmission, infection and the do s and dont s of prevention. It looks at practical ways of caring and coping. Young adults are more vulnerable to HIV/AIDS than anyone else. Lindiwe s explanation should empower learners to lower the risk of getting sick and increase their resilience to the virus. This is one of the JAWS HIV/AIDS readers developed for primary school learners. The story conveys both the basic information about HIV/AIDS (health promotion) and the subtle psycho-social dimensions of the pandemic affecting learners lives (personal and social development). It can be used as a reader, or to help teachers introduce subject matter that is difficult to manage in the classroom.
