Tao Te Ching is the old and classic book of how to live in accordance with nature. This book was written over 2000 years ago and is still known for its wisdom and timeless relevance. In this book you will learn how to live in the spirit of Tao from a stoners perspective. You will gain insight into how a stoner competes without competing, how a cannabis gardener gardens in the spirit of Tao, you will learn how to live in peace and harmony with nature, and how to live in harmony with friends and family. This book has many lessons to teach even if you don t participate in the occasional puffing on the pipe. It is filled with ageless words of wisdom written with the passionate stoner in mind. The author, T.J Dab, has translated this precious gem into a book that teaches you how to blaze it, how to chill out and how to give thanks and praises like the old mystics used to do it.
