Reviews

Definitely among the best ebook I have actually go through. I have read and i also am confident that i am going to likely to read once again once again later on. I am just very happy to explain how this is actually the finest publication i have read in my own daily life and could be he greatest pdf for at any time.

Ace Books, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. From the acclaimed author of Green-Eyed Envy comes a tumultuous tale of unrest among the Furies. As Boston's Chief Magical Investigator, Riss Holloway has been responsible for solving any crimes committed by or against supernaturals. But now she's taking a leave of absence from the Boston PD and heading home—to focus on her duties as a Fury: like assisting her mother with an unsettling friction brewing in the Sisterhood, a faction of Furies sworn to serve all the Deities equally. These days, someone is playing favorites, drawing Riss into a tumultuous civil war embroiling every god and goddess. What was once a precept, to stand as a united whole policing arcanekind for millennia, has been divided by something Riss never imagined and choosing sides could be the most dangerous move she's ever made.
