St. Martin's Griffin. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 9.1in. x 6.1in. x 1.1in. Why Marines Fight is a candid collection of courage and esprit de corps that serves as a reminder that when America needs a real hero, it doesnt need to look beyond its military. The San Antonio Express News United States Marines, for more than two centuries, have been among the worlds fiercest and most admired of warriors. They have fought from the Revolutionary War to Afghanistan and Iraq, in famous battles that have become the bone and sinew of American lore. But why do Marines fight Why do they fight so well James Brady, to some an unofficial poet laureate of the Corps, interviews combat Marine veterans from World War II to Afghanistan, and their replies are in their own individual voices, unique and powerful. What results is an authentically American story of a country at war, as seen through the eyes of its warriors; a story of the motivations and emotions behind this compelling title question. Included are accounts from Senator James Webb and his Corporal son, Jim; New York City Police Commissioner Ray Kelly; Yankee second baseman (and Marine fighter pilot) Jerry Coleman, and of teachers, fireman, authors, cops, Harvard football players, and just plain grunts. Why Marines Fight is a ruthlessly candid book about professional killers not ashamed to recall their doubts as well as exult in their savagely triumphant battle cries. A book of weight and heft that Marines, and Americans everywhere, will want to read, and may find impossible to forget. Praise for James Brady: Why Marines Fight Brady explores both the emotions and motivations of the men who willingly run toward guns. Read this and youll be steeled to stare down your own fears. Mens Health For anyone who wants to...
