

Death Beneath Their Feet (Paperback)

By Charles Enscoe

Charles Enscoe, Author, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Death Beneath Their Feet, is a realistic, sobering, dark, fictional prophecy, foreshadowing what could be a bleak future for the United States. A hidden enemy with a deadly agenda lurks in plain view, patiently waiting for the perfect time to strike. The narrative travels through time from the sixties to the year 2020 in an attempt to see the West through the eyes of those who feel our free lifestyle is a corruptive force on their religious practices and moral codes. It follows the exploits of a loving family who has come to the promised land - America the Beautiful. Life is wonderful and the family is living a life beyond their dreams, when suddenly and brutally their lives are turned upside down. What follows is a very disturbing but feasible scenario perpetrated by an enemy who walks hidden among us, and could possibly fracture the very foundation of the United States. Death Beneath Their Feet knocks its readers from their comfort zone and opens their eyes to a gut wrenching, frightening possibility.
