Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.UPDATED TO JUNE 2015 Written by a qualified solicitor and university lecturer, this book provides a basic introduction to small private limited companies and requires no previous knowledge. It considers the legal, but also financial, practical and taxation aspects of a small company in a practical and approachable manner. It does this by following a group of friends who decide to form a new company. The book is ideal for those who wish to acquire a general understanding of how small companies in the UK work. It is also aimed at people starting any kind of course of study which may require such an understanding such as law, business, finance, accounting or management. The narrative is clear, concise and accessible, and can be read from start to finish in several sittings to give a good, basic appreciation of the subject. Topics covered include company formation and administration, the roles of directors and shareholders, company finance, common legal aspects and a brief introduction to company taxation. The Really Basic Introductions series includes the following titles: - A Really Basic Introduction to Value Added Tax - A Really Basic Introduction to English Law and the English Legal System - A Really Basic Introduction to English Contract Law - A Really Basic Introduction to Company Law - A Really Basic Introduction to Income Tax - A Really Basic Introduction to Capital Gains Tax The above titles are all available in Kindle format.
