Dover Publications Inc., United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. A new and vital form of drama blossomed in 16th-century England, blending classic Latin comedy traditions with keen satires of contemporary London life. Although Shakespeare remains the most recognizable playwright of the Elizabethan age, there were many others whose work continues to entertain and educate students of drama to this day. This anthology collects timeless comedies that both informed Shakespeare's work and took inspiration from the Bard himself. Six plays include Ben Jonson's *Every Man in His Humour*, the comedy that made the author's reputation; *Friar Bacon and Friar Bungay* by Robert Greene, a groundbreaking play in terms of multiple-plot structure; *The Shoemaker's Holiday, or The Gentle Craft* by Thomas Dekker, the Dickens of English theater; *All Fools*, George Chapman's sprightly romp; *A Trick to Catch the Old One* by Thomas Middleton, one of the era's most prolific and successful playwrights; and *Eastward Ho!*, a collaborative work by Chapman, Jonson, and John Marston.
