THE ITALIAN REAL ESTATE INDUSTRY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In 2016, investors spent nearly 9 billion euros in commercial real estate in Italy, and that amount is expected to grow in 2017. If you're a business owner looking to buy property or an investor seeking to develop real estate in the Italian market, this introductory guide to understanding and investing in the Italian real estate industry will help you make a sound business decision. In *The Italian Real Estate Industry*, financial and real estate expert Gabriele Frascini breaks down what the commercial real estate sector looks like in Italy. He describes the basics of real estate, listing the various types of property you can own (including residential) and reveals the trends in particular commercial sectors, such as health care, entertainment, retail, and office space. Discover the six real estate business models that are performing well in Italy, including examples of companies that follow those models. With any investment, there are risks. This book helps you understand the three major risks involved in real estate development in Italy today: -urbanistic- risk, building risk, and market risk. *The Italian Real Estate Industry* packs a wealth of information you'll need to make a smart investment in Italy's growing real estate market.
