

Flash Point

By Matt Croucher

Cornerstone. Paperback. Book Condition: new. BRAND NEW, Flash Point, Matt Croucher, Dan Coldrain is a former elite Royal Marine Commando haunted by the death of his best mate Reese, killed in action by enemy forces. Coldrain used to believe in honour, service, and the call of duty, but haunted by Reese's death, he drops out of service and instead seeks the lucrative pay cheques on the private military contractor's circuit. Soon the Sandman, a shadowy figure with connections to the political underworld, lurks into view, with a proposal for Coldrain: find a man called Dogan - a terrorist responsible for a slew of lethal IED attacks in both Iraq and Afghanistan - detain him and hand him over to the Sandman. For this simple task, Coldrain will be granted a four-man team, access to high-grade weapons and explosives and vehicles, and a cool GBP1 million per head once the mission is completed. And so the hunt begins, with the contractors dragged through hell and back in search of their deadly suspect. Will Coldrain and his team complete their mission successfully? And, most importantly, will Coldrain battle the demons which so haunt him over his friend's death?.

Reviews

An extremely wonderful pdf with perfect and lucid information. Better than never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.
