

Keys of Gnosis (Paperback)

Filesize: 4.06 MB

Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Sophia Perennis et Universalis, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

For a long time now, religion in the West has been polarized between a democratic kind of faith meant for simple believers, and divine mysteries so high that hardly anyone can claim to know much about them. The vital connecting link between them, that of metaphysical religion, is all but lost. (From the Introduction.) There are many books that seek to answer the fundamental questions of life: Who am I? Does life have a purpose? How should I live? Dr Bolton s book brings to these universal questions an extraordinary degree of metaphysical insight. It contains in highly condensed form a veritable library of traditional wisdom, offering a systematic reconstruction of our understanding of the soul and its relation to archetypal reality. Its starting-point is the fact that increasing numbers of people seem to lack spiritual and material power over their own lives. Modern man feels like a victim. But true power, real freedom, is closer than we think. Our mistake lies in accepting a false view of the self, and neglecting the metaphysical dimension that gives access to eternity. Dr Bolton s book offers a crash-course in liberation. It can liberate us, specifically, from a common sense idea of reality which is profoundly false, and which holds us in unconscious slavery to time and appearances. The book defends the capacity of the human mind to obtain objective insight, despite the obfuscations of postmodernism, and represents a bold development of the Platonist tradition associated with St Augustine, Plotinus, and Proclus. This book is like a diamond: a diamond placed not in a necklace, but at the business end of a drill. It is up to us to use the...
