Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It is already a long time since I was a little girl. Sometimes, when I look out upon the world and see how many changes have come about, how different many things are from what I can remember them, I could believe that a still longer time had passed since my childhood than is really the case. Sometimes, on the contrary, the remembrance of things that then happened comes over me so very vividly, so very real-ly, that I can scarcely believe myself to be as old as I am. I can remember things in my little girlhood more clearly than many in later years. This makes me hope that the story of some part of it may interest children of to-day, for I know I have not forgotten the feelings I had as a child. And after all, I believe that in a great many ways children are very like each other in their hearts and minds, even though their lives may seem very different and very far apart.
