McSweeney's. Hardcover. Condition: New. 300 pages. Dimensions: 11.1in. x 7.9in. x 0.9in. Barthelme said that The Novel of the Soil is dead, as are Expressionism, Impressionism, Futurism, Imagism, Vorticism, Regionalism, Realism, the Kitchen Sink School of Drama, the Theatre of the Absurd, the Theatre of Cruelty, Black Humor, and Gongorism. But he left out, pointedly, the Biji, the Nivola, the Graustarkian Romance, the Consuetudinary, the Whores Dialogue, the Fornaldarsaga, and the eighties, which are not dead; they are all in McSweeneys 31, as rendered by Douglas Coupland, Joy Williams, John Brandon, Shelley Jackson, Mary Miller, and Will Sheff, along with other fugitive genres recaptured by our finest writers, as part of a project to bring them back alive (except for the eighties, there is actually nothing about the eighties). In an oversized format, with annotations, illustrations, and pantoums, Issue 31 aims to introduce you to all the genres you never knew you loved. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
