Random House Audio Publishing Group, 2010. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Kenneth C. Davis presents a collection of extraordinary stories, each detailing an overlooked episode that shaped the nation s destiny and character. Davis s dramatic narratives set the record straight, busting myths and bringing to light little-known but fascinating facts from a time when the nation s fate hung in the balance. Spanning a period from the Spanish arrival in America to George Washington s inauguration in 1789, **AMERICA S HIDDEN HISTORY** explores these episodes, among others: The story of the first real Pilgrims in America, who were wine-making French Huguenots, not dour English Separatists - The coming-of-age story of Queen Isabella, who suggested that Columbus pack the moving mess hall of pigs, which may have spread disease to many Native Americans - The long, bloody relationship between the Puritans and Indians that runs counter to the idyllic scene of the Thanksgiving feast - The little-known story of George Washington as a headstrong young soldier who committed a war crime, signed a confession, and started a war! Full of color, intrigue, and human interest, **AMERICA S HIDDEN HISTORY** proves why Davis is truly America s teacher.
