Whether it s for business or in your personal life, the benefits are enormous! If you want to become successful in life, you need to understand the basic techniques and theories related to persuasion. Why? This is because everything you need, or will need your entire life comes from this important concept. Currently, only about 1 of the world s total population knows how to apply the rules of persuasion to get what they need. That means you will get excellent advantages if you will master these simple rules and apply them in your daily life. This eBook will reveal the secrets of effective persuasion. Study all the ideas and techniques contained here so you can influence and persuade other people with great accuracy. This way, you will attain authority over others. You will be able to inspire them to do what you want them to do. Once it happens, you will become more confident, empowered and successful. You will double (or even triple) your productivity in marketing and sales. Once you have mastered the art of persuasion, other people will be drawn to you. You will easily achieve personal, financial and social growth without exerting too much effort. Portals that were previously closed to you will be opened and a whole world of excellent opportunities will be knocking on your door. The techniques and skills described in this book are based on enduring, proven persuasion principles. This simple book will teach you the twelve vital rules of persuasion and will instruct you on how to employ these modern persuasion tactics so you can get the level of influence you need...
