BRAND NEW, It Takes Guts: A Story of Love, Hope and a Missing Bowel, Evelyne Brink, It Takes Guts is the true story of little Tuffel, who upon birth was sentenced to death. This is a remarkable tale of the human spirit rising above the seemingly impossible, told by his mother, Evelyne. Growing into her new role as a mother and carer, she takes you on a journey of personal growth and trying not to lose 'it', herself or him throughout sleepless nights, hospital life and medical jargon - all while keeping her sense of humour along the way. Tuffel has become the first survivor of 'ultra short gut' syndrome: living with no small intestine. This uplifting and deeply emotional journey will fill your heart with new hope for what is possible for each and every one of us.
