CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 36 pages. Dimensions: 8.0in. x 5.2in. x 0.1in. In our homes, no matter what type of home we must teach our children spiritual values; prayer first to God. We must and i emphasize must teach our children to respect and fear the police. I taught mine to fear the police. Why They can take you to jail or they can shot you for disobeying the laws. Finally, to have or get anything. . . we must teach our children to use the knowledge they learn in everyday life settings. I dont mean university education only. Everyone does not need to go to a university. The truth is the people who make the most money in our society are not college bound or origin. They work as artisans, construction workers, garbage workers, specified iron and welding, plant workers. . and so forth; stress education for all forms of work and career desires instead of just the university. I love that we have the technical schools and hope we have training for car repair, boat repair, and more. We are going to need people who work with building materials, wood, stone, and more. We need farmers badly. Tile workers, fireplace builders and variations of heating sources. . . especially solar power. Our future is bright with Church, Law Enforcement and Education (add back music, art, drama, home economics, wood work, sports in total). This item ships from La Vergne, TN. Paperback.
