Potatoworks Press, United States, 2012. Paperback. Condition: New. Ann-Marie Walsh (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Hattie Cross knows what you're thinking: Zombie sex? E But she also knows that since a virus turned 99.9999 percent of human males into zombies, it's statistically impossible to meet--let alone date--the remaining 0.00001 percent. So she writes *The Girls Guide to Dating Zombies* to help her fellow single women navigate the zombie-relationship waters. Her practical how-to impresses the CEO of the largest drug company in the world, and before she knows it, Hattie, a reporter for a downmarket tabloid that specializes in conspiracy theories, is sitting down with the woman who single-handedly invented the zombie-behavioral-modification market. Granted access to the inner sanctum of zombaceuticals, she meets an actual, living, breathing M-A-N. Now Hattie, the consummate professional, is acting like a single girl at the end of the twentieth century: self-conscious, klutzy and unable to form a coherent sentence without babbling. Worst of all, the human male appears to have impaired her ability to think clearly. Because all of a sudden she's convinced a conspiracy is afoot at the drug company and it seems to go all the way to the top!.
