Forgotten Books. Paperback. Condition: New. This item is printed on demand. 244 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Excerpt from Oracles on Man Government: It was no bad usage of the old Romans to bring down from its niche the waxen image of an eminent ancestor on the anniversary of his natal day, and to recall his memory and its lineaments, even though time with all its wear and tear should have sprinkled a little dust or chipped a feature. Nor was the Alexandrian sage unwise who deemed himself unworthy of a birthday feast, and kept its very date strictly secret, yet sacrificed to the gods and entertained his friends on the birthdays of Socrates and Plato. Nobody would have been more severely displeased than Mill at an attempt to exalt him to a level in the empyrean with those two immortal shades; yet he was of the Socratic household. He was the first guide and inspirer of a generation that has now all but passed away; and it may perhaps be counted among the sollemnia pietatis, the feasts and offices of grateful recollection, in an Easter holiday from more clamorous things, to muse for a day upon the teacher who was born on the twentieth of May a hundred years ago. Mill was once called by Mr. Gladstone the saint of rationalism, and the designation was a happy one. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books.
