Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The sighting of the second flare has kindled new hope in what s left of humanity. Perhaps there are other survivors outside the Hive. Maybe it s the military, finally come to save Pleasance from the horrors of Paragon. But neither flares nor optimism can erase the colony s bleak realities. Supplies are dwindling. Food is low, medication running out, and the garden won t ever grow enough to feed the Hive. And there s the small matter of the water from the river drying up. The Hive needs a miracle, and fast. With Gabriel Anderson at his side, Jarod Samuels seeks out the source of the flare and an antidote for the Hive s plight. But some mysteries are best left unsolved, some secrets left undiscovered - especially when the answers hide deep in the heart of the colossus.
