By -

Waverley Books, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. This Dress Tartan mini real cloth tartan notebook is part of the Scottish Traditions series. Many dress tartans adopted a white stripe in the sett to signify the difference of wearing a tartan for an occasion, or celebration. This tartan combines the elegance of navy, burgundy, moss green, black and white. This is one of Kinloch Anderson s house tartans range. This mini notebook contains a pen, ribbon marker, eight perforated end leaves, and an expandable inner note holder. (Pen barrel colour may vary from that illustrated.) Early weavers used local plants and natural products for their dyes so the locality of the weaver affected the colours of the local tartan. The genuine tartan cloth used for this notebook is supplied by and produced with the authority of Kinloch Anderson Scotland. Commonplace notebooks date back to the Scottish Enlightenment. Many thinkers and writers used a Commonplace notebook for writing down ideas and knowledge. Adam Smith, Robert Burns, David Hume, and later, writers such as Sir Walter Scott, Arthur Conan Doyle, and Virginia Woolf used commonplace notebooks.
