Nunez. Things That Make You Go Hmm.a poetic tour of introspection and other curiosities is a collection of poems that is highly self-reflexive yet with an eye to the universe at-large, searching for the meaning of it all, intermarrying past, present and future, and finding our place there. It mixes staccato beats of language with smooth, languid rhythms and relentlessly candid themes. The book questions everything and gives clear answers.truth always wins and nothing is as good as what is real. It is a poignant and irreverent look at the world through the eyes of one who is in love with life.a book of poetry for the poet in all of us.
