Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In Book 1 of the 259 Trillion Vs 5 Trillion series, the terrible confusion between assets and money was thoroughly explained. Book 2 follows from the solid foundation laid by Book 1 so that the additional concepts are easier to grasp. Book 2 will explain the lies regarding exponential growth parroted by certain groups of experts and then will dwell deep into explaining the statements such as there are only 9 trillion of money but 32 trillion of debt, we are so doomed. Doom and gloom sells, but the 259TVs5T is not out to scare readers until they can hardly sleep, but it is designed to explain the fundamental of the economic system and the banking system. All of the explanations were made in a simple way with hundreds of stunning graphics to better illustrate the natural laws of the economy. Analysis made found that confusions occur as to what is the real purpose of money in the economy (a permanent storage of value is not one of the purpose). 99 of the general population do not understand the workings of the economy and especially, the banking system and was therefore taken advantage of by the doom and gloom club. This book series is designed to enable the masses to understand in great detail how the system works. You will be glad if you read Book 2 because the authors had promised the book to be the one that is a must have , culminated from years of research, study and debates. The authors mentioned that from more than 500 people they met; only two persons correctly replied how the central bank prints money for the economy and...
