Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The decision you are making to get into the Forex trading business is one of the most important decisions of your life. This book is for all beginning aspiring Forex investors and traders who are just getting into doing the Forex day trading and swing trading business. Everyone has their own ideas of what they think day trading and swing trading are, and what it can do for them. This guide is for new beginners and will detail many of the things that a brand new trader must learn, and what they should not do before they can become consistently profitable in the live markets. I wrote this book for people who are Forex beginners and want to start their own Forex trading business and become participants in today's financial markets who have zero experience and are looking for the best quality information to get them started. It's all in this book where you can read it in one place at one time and not have to do any long searches to find information that might take you years to learn. This book will be an incredible read as an introduction for someone who has zero or very little experience in the Forex financial markets can expect to research and learn if they want to have any chance at being successful making real money in the live markets. If you're brand new this book will give you a head start and get you on the fast track to making real money, if you have a little knowledge already and are perhaps struggling, I hope this book can give you more information and help you learn something new....
