Purrdy Kitty lives with her mother, Alley Kitty, in the alley behind Mr. Fritter s bakery. It s not a bad life-every day, Mr. Fritter leaves them leftover graham cracker cookies. One day, Alley Kitty asks Purrdy Kitty what she wants to be when she grows up. Alley Kitty always wanted to be a house cat and thinks humans would love to pet Purrdy Kitty s soft white fur. But that s what Alley Kitty wants, not Purrdy Kitty. Purrdy Kitty s friend, Scare D. Cat, thinks Purrdy Kitty is so pretty she should be a model kitty. Purrdy Kitty gets a job as a model-it s all right, but it isn t what she wants to be when she grows up. With the money she makes modeling, Purrdy Kitty goes to kitty college, where she takes all kinds of classes to see what she likes. Then something happens that makes Purrdy Kitty realize what really makes her happy, and it changes her life forever. A sweet, inspirational book about exploring your options in life, Purrdy Kitty Finds Her Purrrpose teaches children that it s OK if you don t know what you want to be right away, and sometimes what you re meant to do finds you.
