Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Cousin Henry is a novel by Anthony Trollope first published in 1879. The story deals with the trouble arising from the indecision of a squire in choosing an heir to his estate. Of all Trollope's shorter novels, this one has been called one of his most experimental. Plot: Indefer Jones is the aged squire, between seventy and eighty years of age, of a large manor, Llanfeare, in Carmarthen, Wales. His niece, Isabel Brodrick, has lived with him for years after the remarriage of her father, and endeared herself to everyone. However, according to his strong traditional beliefs, the estate should be bequeathed to a male heir. His sole male blood relative is his nephew Henry Jones, a London clerk. Henry has, in the past, incurred debts that the squire had paid off, been sent away from Oxford, and generally made a poor impression on his occasional visits to Llanfeare. Nevertheless, Henry is told of his uncle's intention to make him the heir to the estate and is invited to pay a visit. Isabel rejects her uncle's suggestion that she solve his dilemma by marrying Henry, as she cannot stand her cousin. Indefer Jones finds his nephew to be just as detestable as ever. As a result, he overcomes his prejudice and changes his will one final time, in Isabel's favour. Unfortunately, he dies before he can tell anyone. Finding the document hidden in a book of sermons by accident, Henry vacillates between keeping silent and revealing its location. He is neither good enough to give up the estate nor evil enough to burn the document, fearing disgrace, a long jail sentence and, not least, eternal damnation....
