

Robin Hood : The English Outlaw Unmasked

By David Baldwin

Amberley Publishing Jan 2011, 2011. Taschenbuch. Condition: Neu. Neuware - Everyone has heard of Robin Hood, the brilliant archer who robbed the rich to give to the poor and who always triumphed over the forces of evil, but the man behind the legend is as mysterious as King Arthur. David Baldwin sets out to find the real Robin Hood, looking for clues in the earliest ballads and in official and legal documents of the thirteenth and fourteenth centuries. His search takes him to the troubled reign of King Henry III, and to Henry's difficult and deteriorating relationship with his brother-in-law Simon de Montfort, Earl of Leicester. Earl Simon became a popular hero, a man who, it was thought, might have changed everything for the better, and who was credited with miracles in the aftermath of his death at the battle of Evesham. 288 pp. Englisch.

Reviews

A fresh e-book with a brand new perspective. This is certainly for anyone who states that there had not been a really worth reading. I am just happy to explain how this is the very best publication I have gone through in my individual lifestyle and may be the best pdf for ever.
