Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Resurrection of the Dead The Resurrection of the Dead is a doctrine which has too much fallen out of notice. Certainly it has not that prominence in preaching, nor in religious literature, which its importance demands. Nor does it receive the attention which the Holy Spirit bestows upon it in the Epistles of Paul. There it is made a cardinal doctrine of our faith, and so associated with Christ's resurrection, that if we deny the resurrection of the dead, we necessarily ignore Christ's resurrection. And the conclusion drawn is that our sins remain unforgiven. With a terseness of logic that is unsurpassed by the schoolmen, Paul states the whole question If there be no resurrection of the dead, then is Christ not risen. And if Christ be not raised, your faith is vain ye are yet in your sins. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
