

## Old Industrial Cities Seeking New Road Of Industrialization: Models Of Revitalizing Northeast China (Hardback)

By -

World Scientific Publishing Co Pte Ltd, Singapore, 2014. Hardback. Condition: New. Language: English . Brand New Book. This book aims to investigate how cities in China s rust belt restructure their urban industries and economies. Over the years, China s economic miracle has been mainly attributed to rapid development in its coastal region, where the majority of research into the country s development has originated from. Development in the rest of China seems to be attracting relatively scant research attention, especially in China s rust belt. In fact, the urban industrial restructuring process is an ongoing process in inland China, notably in the recent decade in terms of the scope, scale and speed of restructuring. The old industrial cities in northeast China (Manchuria) were the cradle of China s industrialization and had significantly contributed to the industrialization of the nation during the Mao era. Deng s open door policy and economic reform disadvantaged the region and left it behind others. In the context of market economy and competition from rapidly growing coastal areas, northeast China became the burden to China s overall economic development. With a high concentration of state-owned heavy industries, cities in this region suffered from heavy losses in...
