Reviews

*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

HarperCollins Publishers, United Kingdom, 2013. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. A haunting and absorbing debut - fans of Before I Go to Sleep and Sister will be hooked. She closed her eyes and he was gone - who is watching him now? When Carrie's five-year old son, Charlie, disappeared on a Norfolk beach, her world was destroyed. Now, three years on, she is persuaded by her mother to visit a local medium. Initially sceptical, Carrie is blown away when he appears to reveal something about Charlie's disappearance; something that nobody could ever have known except herself. Single mum, Molly, is worried about her young son, Max, who has been having more of his little accidents at school and has recently started talking again to his imaginary friend. Molly knows that Max's problems stem from his very real anxieties about his father - a violent and unstable man - who they are now in hiding from. Little do the women know that their worlds are about to converge - and both of them will have to face the thing they fear the most. But could the truth destroy them?.
