

Classification Des Sciences (Classic Reprint) (Paperback)

Filesize: 9.53 MB

Reviews

This sort of book is every little thing and got me to searching ahead and a lot more. This can be for all those who stante there was not a well worth reading through. I am just easily could possibly get a delight of reading through a published pdf.
(Floy Rolfson)

CLASSIFICATION DES SCIENCES (CLASSIC REPRINT) (PAPERBACK)

[DOWNLOAD](#)

Forgotten Books, 2018. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Excerpt from Classification des Sciences Bernard (4) et bien d'autres n'ont pas compris. Le point de vue logique ou subjectif (c'est la même chose) ne présente aucun intérêt pour la théorie des sciences ou du moins ne saurait conduire à aucun résultat utile. Peu importe au savant que l'activité intellectuelle de l'homme soit une ou multiple ce qu'il lui faut c'est le moyen de distinguer la science de tout ce qui n'est pas la science, et, parmi toutes les sciences, la branche spéciale qu'il cultive. En d'autres termes, la question n'est pas de savoir si tout savant a le droit de faire des hypothèses des observations ou des expériences il s'agit de déterminer sur quoi dans chaque science doivent porter les hypothèses, les observations ou les expériences; or, il est certain que tout cela ne peut se trouver dans l'analyse des facultés de l'esprit humain. La diversité de nos méthodes ne tient point celle de nos pouvoirs logiques elle résulte de la diversité des objets auxquels nous les appliquons. C'est pour cela qu'il y a entre l'expérience d'un chimiste d'un physiologiste ou d'un naturaliste toute la différence qui existe entre une science abstraite et une science concrète une science dogmatique et une science descriptive. Certains amateurs de l'expérience, M. Claude Bernard (2) et M. Chevreul (3) entre autres, ne paraissent point s'en douter. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic...
