Copulation is the highest pleasure, both to the body and mind, and is worth all other human pleasures put together. The author. . .all dreams have a sexual meaning. -Sigmund Freud This edition of the novel My Secret Life is presented with An Introduction to Sexual Organs, Sexually Transmitted Diseases and Safe Sex with more than fifty educative and exciting illustrations. The reprint of My Secret Life, written by an anonymous author, was first published in 1888 in two volumes for private distribution among the connoisseur collectors. It was strictly limited to four hundred and seventy five copies subscribed for prior to publication. The story is in an autobiographical style where the author wonderfully narrates his curiosity on female sexual organ and sexual desire with struggle and involvements to have sex. He shows his fear for the smaller size of his sexual organ and sexually transmitted diseases. He is financially devastated owing to his lavish lifestyle and expenditure on obtaining sexual satisfaction. The man is the most curious creature on this earth whose physical senses start developing from...
