Xulon Press, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Plundering hell and populating Heaven with Evangelism in Retirement Homes is truly rewarding. God loves all His people and wills each one to live above and not beneath. Yet often the elderly who live with some type of disability or who are just too old to live alone in their own homes are forgotten by society. It is so awesome to visit the folks, lead them to their Savior, and pray for their healing, and then to see their very countenances change and joy fill their hearts. To hear them say, Thank you for coming! is heartwarming. Doing a Retirement Home Blitz will make you hunger and thirst to go to all the facilities in your area to reap the harvest. We pray this book will be a help to your ministry as you reach out to the elderly as never before - for such a time as this.
