AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Employ of Angels is the second book written by the author on angels. The first book, Angels are Celestial Spirits, introduced these messengers who are employed in carrying messages and giving advice and encouragement. In this second book the author continues this powerful discourse on angels and describes the employment of angels as they guard, remonstrates, announces, and ministers. The reader will now be able to observe them being fit for employment. They are skillful, strong, and swift obedient servants to Christ, holy enemies to the wicked, and faithful friends to all the saints. Dr. Billy Graham so forcefully stated in his book on angels: Angels guide, comfort and provide for the people of God in the midst of suffering and persecution. He further states, They are ministering servants who can appear or remain invisible as they perform the tasks that God assigns them. In the end, when Christ comes in his glory to judge the world, he will bring all of his holy angels with him. The angels will not only be attendants, but ministers of his justice; they shall come with him both for state and service. They shall be employed in executing Christ s righteous sentence, both of approbation and condemnation, as ministers of his justice.
