A result of the great depression of the 1930s when father of necessity searched for a job. Loving parents provided the opportunity for a solid and Christian based education. Became a World-War II veteran (Army Air Force Pilot), Graduate Mechanical Engineer and a licensed Profession Engineer. With the help of God and a wonder Christian Wife, progressed to be a small business owner and eventually a Vice President-Director of a 3000 plus employee Corporation listed on the New York Stock exchange. Were there ups and downs You bet there were! Was God on my side through all this Did He actually make all this possible as we went through these years I can, without hesitation, state YES but with one added statement; When and only when, we (the family) were on His side through prayer! Anyone can find that reality. My hope and prayer is for leaders of all faiths, those who believe my life story and especially those who teach our youth; proclaim this secret that became a reality while writing this book. Yes, you too can be Blessed to be a Blessing! Good and bad things happen to us all: young and old, rich and poor, even churches, businesses, societies, cities, countries, governments, worlds! In my opinion, what determines the outcome, result, or the final end, is determined by answering the question, Is God on Our, my, your, there side -Richard N. Thomsen P. E.
