HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, American Sniper: The Autobiography of the Most Lethal Sniper in U.S. Military History, Chris Kyle, Scott McEwen, Jim DeFelice, Former U.S. Navy SEAL Chris Kyle tells the story of his legendary career, from 1999-2009, during which time he recorded the most confirmed sniper kills (officially a record 155, though the real number is even much higher) in the history of the United States military, any branch, from 1776 to present. Today he is the CEO of an international security and training corporation. "American Sniper" is the story of the accomplishments of a husband and father who went from a Texas rodeo cowboy to his country's most legendary sniper. It describes the challenges of keeping a marriage and family together, and how after four deployments, Kyle ultimately chose to return to his wife and two children. This is also the story of the men of SEAL Team 3 who fought and died as brothers with Kyle. "American Sniper" provides a rare, first-hand glimpse at the elite world of the SEALs and combat snipers who fought in a war where the "Rules of Engagement" only allowed for precise...
