I've Got the Blues: A No Bs Guide to the Use, Abuse, and Potential Dangers of Legal and Illegal Mind-Altering Drugs

By Donald Chapin

Neovision Press, United States, 2010. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The book I've Got the Blues deals in depth with exactly what the subtitle says. It is an unbiased guide to the use, abuse, and potential dangers of psychoactive drugs. Several things make it different from other books dealing with this subject. First is the author's extensive experience as a surgeon and emergency physician providing care to thousands of patients taking illegal psychoactive drugs as well as many on psychiatric medication. Secondly he covers the entire spectrum of drugs that interact with the brain from the well-known illegal ones such as marijuana and cocaine to the widely prescribed medications such as benzodiazepines and antidepressants. With each group of drugs, he goes into a detailed discussion of their history, pharmacology, and how and why they are used. He cuts through many widely held beliefs that are based on disinformation and propaganda. He has no hidden agenda and simply wants to get to the truth of what all of these drugs do to the human brain, whether they are legal or illegal. Much of what people believe to...
