Who Owns Your Soul This book is about those who demand what they deserve in life, and then survive the aftermath. Its about taking control of destiny. About making hard choices and being viciously attacked over them. Its about the moment when we become exhausted pleasing everybody else, and decide what the others think doesnt matter anymore. Then we set ourselves free. Its about rejecting preconceived notions, following our hearts and giving new meaning to crazy. Its about the daring escapes we make - the well planned, calculated ones, and the frantic, desperate ones. Its about messy breakups, verbal massacres, and heartbreaking ends to bad situations that we walk away from badly scarred, but alive - and in awe of that blessed moment of clarity where our inner voice shrieked, Run! Like! Hell! and we listened. And to later, when we realized that moment was a miracle. But mostly, its a story about life. Gorgeous, screwed up, magnificent life, and all the pain, love, loss, and promises that go with it. Its about dreams worth having, and the ones we make come true. And even the ones we leave behind. Its about finding the beat of our own drummer and fearlessly stomping to it. Burning Down Rome is the story of a rocknroll dream that became a nightmare for four unconquerable souls who nearly lost it all: Themselves, each other, and their passion. . . And who then reclaimed their destinies, and blazed beyond what the world said they could do. This item ships from La Vergne, TN. Paperback.
